Location

Hi - as you see below, DOE may be trying to call Scott Fulton about this so I wanted to give you a heads up about it so we can give the front office a heads up about it. I just learned about it on Friday. I've asked Jon Edwards in ORIA to give us both the latest information via phone today at 1:30 pm to prepare you for Reg Review. If you can participate, I'll come over to your office for the call.

Sue--- I've learned "second- and third-hand" this morning that DoE's general counsel's office may try to put a call in to Scott Fulton on this issue sometime soon. You may want to alert Rich and your front office to this....I'll ask Tom to give you a call too, to see if you've got questions. Jon
